Paramount Pest Control Ltd is required to release a statement each financial year outlining steps the Firm has taken to ensure that slavery and human trafficking is not taking place in our supply chains or in any part of our business.

This statement is made pursuant to Section 54, Part 6 of the Modern Slavery Act 2015.

Modern slavery is a criminal offence under the Modern Slavery Act 2015 (“the Act”). It can occur in various forms, including servitude, forced or compulsory labour and human trafficking, all of which have in common the deprivation of one person’s liberty by another in order to exploit them for personal or commercial gain.

As we confirm in the statement on our website, Paramount is committed to identifying and assessing potential risk areas in our supply chains by contacting suppliers and asking for confirmation that they comply with the Modern Slavery Act 2015.

We have a zero tolerance attitude to modern slavery of any kind.
